FIX-R UNIVERSAL DRY FIX VENTILATED EXTENSION PACK 10696798

UNIVERSAL DRY FIX VENTILATED EXTENSION PACK

The FIX-R Universal Dry Fix Ventilated Extension Pack (10696798) to be used in conjunction with the FIX-R Universal Dry Fix Ridge Kit (10696205) when installing clay ridge tiles.

x 7 Unions
x 7 Centre Clips
x 14 Outer Clips
Screws

KIT CONTENTS

Unions

Film grade polypropylene material for durability and flexibility - will not weaken when 'flexed'. Incorporates uniquely designed tracks to divert any penetrating rainfall away from the ridge.

Centre Ratchet Clips

Ratchet clips used in the centre of the union. Made from glass filled nylon for superior strength and durability.

Outer Ratchet Clips

Our ratchet clips provide a subtle finish and incorporate ratchet teeth for a rapid and accurate installation.

Screws
