

## **Technical Data Sheet**

October 2021

# **IKO ULTRA STICK**

### PRODUCT INFORMATION

IKO Ultra Stick is a fully bonded self-adhesive, polyester reinforced, SBS modified bitumen capsheet with added fire retardant. It has an upper surface finish of mineral granules. The self-adhesive coating underside is protected by a release film.

Colour	Product Code
Green	52320208
Brown	52300208
Black	52310208

## **USE**

This product is for use as the capsheet layer within a self-adhesive built up roofing system specification.

The product must be applied by an IKO Approved Installer. All work must be undertaken in accordance with the requirements of the specific information provided with the issued IKO Specification document, or guidance documents where applicable.

#### INDEPENDENT ACCREDITATION

The product carries a Declaration of Performance Certificate, Agrement Certificate 18/5580, and is UK Conformity Assessed.

#### **FEATURES & BENEFITS**

High Performance - Exceptional dimensional stability and tensile strength.

Fire Performance - Incorporates Prevent Graphite Fire Wall self-extinguishing Technology with properties.

High Specification - Forms part of an IKO flat roofing specification offer.

Flame Free Application – Self-adhesive bonding, with laps secured using hot air welders.

### COMPOSITION

**Bitumen Modification:** SBS Carrier: Polvester Form: Roll Length: 8m Width: 1m Mass/Weight: 3.81Kg/m<sup>2</sup>

**Roll Weight:** 30.5Kg (upper) Mineral Surface Finishes:

(lower) Release film

Selvedge: (upper) 90mm

#### INSTALLATION

Membrane Bond: Self-adhesive Lap Bond: Hot air weld

#### **PERFORMANCE**

For key product performance characteristics, please refer to the IKO Declaration of Performance (DoP)

## **DISCLAIMER**

As this product is utilised within an Approved Contractor network and guided by an IKO Specification document, where omission or differing information exists the IKO Specification document will take precedence.

Whilst every precaution is taken to ensure that the information given in this literature is correct and up to date it is not intended to form part of any contract or give rise to any collateral liability, which is hereby specifically excluded.

IKO reserve the right to amend and/or withdraw this document without notice. Intending purchasers of our materials should therefore verify with the company whether any changes in our specification, application details, withdrawals or otherwise have taken place since this literature was issued.
