RUSTIQUE

The Rustique tile has a strong regional identity and traditional aesthetic appeal, making it the ideal solution for authentic roofs and graceful houses. It brings the final touch of elegance thanks to its warm and finely-shaded colours.

Made in Normandy, the Rustique a genuine old-style tile whose varied tones add that note of warmth which will make roofs attractive.

Discover today its sophisticated 2 new colours: Sablé Bourgogne and Pourpre.

Unmatched sandfaced texture

The original colouring process is completed with a rustic, graduated sandfaced finish. This exclusive combination results in rich and beautiful roofs.

Reliability and resistance

The Rustique tile is solid and cambered. It stands up both to the hardships of fixing and to the weather conditions.
