

## **110mm Ø RIDGEVENT (UB8) CONNECTOR (294304)**

### **1. Description**

The 110 Ø RidgeVent Connector connects the Ubbink RidgeVent to 110mm Ø (4") systems such as soil or mechanical ventilation ducting.

### **2. Material & Colour**

The Connector is made of Grey PVC

### **3. Installation**

The unit can be clicked over the male end of the RidgeVent.

For use as mechanical or soil vent, first apply sealant (PVC solvent cement) to the special groove on the inside of the unit.

Alternatively, a rubber Gasket which fits into the special groove can be used for a simple push fit.

NB. In both instances make sure that the nibs on the insert have fully engaged with the slots on the connector.
